Each such assessment, together with interest, cost, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

#### **Article IV. Architectural Control**

1. **Establishment of Architectural Control and Committee Formation.** An Architectural Committee ("Committee") is hereby established for all Lots located within the Property, whose duties shall initially be performed by the Board. The Board itself may act as and in the role of the Committee, if it so deems. Thereafter, and if separately established, the Committee shall consist of designees of the Board, such Committee to be composed of at least one (1) but no more than three individual Lot Owner(s). Except for the initial term, these individual(s) shall serve for a period of three (3) years unless they resign from the Committee by written notice to the Board of the Association. The initial appointments to the Committee shall serve as follows: one individual for one year, a second individual for two years, and a third individual for three years; thus establishing staggered terms for the members of the Committee. The Committee may, though is not required to, designate the first single year term representative. Upon the expiration of each individual's term, the replacement designee shall serve for three (3) years. Upon the expiration of a designee's term, or the earlier resignation of the above referenced designees, the Board of Directors of the Association shall then reappoint the unfilled positions on the Committee.
2. **Objective of the Committee.** It will be the objective of the Committee to reasonably and consistently consider each request for initial home approvals, changes to homes, or additions to properties or the common areas on a fair, balanced and equitable basis within the specifically defined, and deemed reasonable intent of the covenants and restrictions adopted for this Community. While not determinative in and of itself, any Owner proposal for additions to or changes to their property accompanied by an endorsement of such proposal by the surrounding and immediate neighbors shall be considered supportive by the Committee. These inter-neighbor exchanges and endorsements are encouraged by the Committee.
3. **Adoption of Rules and Regulations Affecting Committee Action and Responsibilities.** The affirmative vote of the majority of the membership of the Committee shall be required to adopt or promulgate any rule, standard or regulation, or to make any findings, determinations, ruling or order, or to issue any permanent authorization or approval pursuant to directives or authorizations contained herein. Any rule, standard, or regulation adopted by the Committee must also be adopted by a majority vote of the Directors, and shall not be inconsistent with this Declaration. Committee adopted procedural rules, standards, and statements of policy may be amended or revoked by the Committee at any time, subject to review and the consent of a majority of the Board. Previous approvals or disapprovals granted based upon previous rules, standards, or policy statements (but now changed or amended) shall not bind the Committee to approve or disapprove a future submission under any doctrine of precedence with regard to the amended rules, standards, and policy statements. *[NOTE: The intent of this provision 3 and 4 below was to allow the Committee to adopt procedural rules, regulations and standards to guide the administration of their work, not to allow modifications of covenants without the consent of the Association.]*
4. **Application of Architectural Standards and Procedures.** No exterior construction, alteration, addition, or erection of any nature whatsoever (including, without limitation, buildings, detached garages, walls, fences, pools, tennis courts, exterior lighting (other than typical landscape lighting), treehouses and play equipment) shall be commenced or placed upon any part of the Community, except as is approved in accordance with this Declaration, or as is otherwise expressly permitted herein. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver of the Committee in its discretion to disapprove such plans specifications or any features or elements included therein if such plan, specification, features or elements subsequently submitted for use on any other Lot.
5. **Plans and Specifications Required and Approvals.** No exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing with verified receipt to and approved by the Committee or its designee. The Committee or its designee may promulgate written guidelines for the exercise of this review.
6. **Effect if No Submissions Made or Approvals Obtained: Failure to Follow Plans.** If any exterior construction as defined in "4" above, or structure, fence, or barrier shall be altered, erected, placed or maintained upon any Lot contained therein or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Committee as required herein, such alteration,

erection, maintenance or use shall be deemed to have been undertaken in violation of the restrictions herein and without the approval required herein. Upon written notice (with return receipt or other confirmation of delivery made) from the Committee any such structure, fence, landscaping or barrier so altered, erected, placed or maintained upon any Lot, in violation hereof shall be removed or re-altered, and such use shall be terminated so as to extinguish such violation. If within fifteen (15) days after the notice of such violation, the Owner or Owners of the Lot upon which such violation exists shall not have taken reasonable steps towards the removal or termination of the same, the Association by its officers or directors shall have the right through its agents and employees to enter upon Lot and to take such steps as may be necessary to extinguish such violation. The Owner(s) will be given at least twenty-four (24) hours written notice of the Association's intent to enter upon such Lot to extinguish such violation, and the costs of such extinguishment thereof shall be a binding personal obligation of such Owner as well as a lien upon the lot in question upon the recording of such with the DeSoto County, Mississippi Chancery Clerk's Office.

7. Final Opportunity to Come Within Compliance. Notwithstanding the foregoing, upon receipt of the notice of violation, the Owner or Owners may (within five (5) business days of receipt of such notice of violation, submit the offending construction undertaken in violation of these architectural control provisions to the Committee (with return receipt or other confirmation of delivery made) for consideration of approval or modification to come within the architectural standards. The filing of a request for approval subsequent to and under a notice of violation shall serve to stay the removal or termination order until such time as the Committee has ruled on the submission, subject to the timelines defined immediately below.

8. Standard of Review; Inspections; Stop Orders; Deemed Approvals. The Committee or its designee shall be the sole arbiter of such plans and specifications and may withhold approval on any reasonable basis, including purely aesthetic considerations or the governing restrictive covenants, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the Committee or its designee or the representative thereof shall have the right, during reasonable hours and with reasonable notice to the Owner, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Person or Persons shall not be deemed guilty of trespass by reason of such entry. If the Committee or its designee fails to approve or to disapprove submitted plans and specifications within twenty (20) days after such plans and specifications have been submitted to it, such plans and specifications will be deemed approved. However, all activities commenced pursuant to plans that have been deemed approved shall be consistent with such plans. As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Committee or its designee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successor-in-interest.

9. Right of Appeal. Homeowners have a right of appeal of any finding, determinations, rulings, order, or authorization by the Committee to the Directors, such appeal to be made in writing to the Directors within ten (10) business days of the Committee's issuance of such finding, determination, ruling, order or authorization.

10. Liability Limitation Statement. PLANS AND SPECIFICATIONS ARE NOT APPROVED FOR ENGINEERING OR STRUCTURAL DESIGN OR QUALITY OF MATERIALS, AND BY APPROVING SUCH PLANS AND SPECIFICATIONS, THE BOARD, ITS MEMBERS, THE COMMITTEE, ITS MEMBERS, THE BOARD OR COMMITTEE'S DESIGNEE, AND THE ASSOCIATION DO NOT ASSUME LIABILITY OR RESPONSIBILITY THEREFOR, NOR FOR ANY DEFECT IN ANY STRUCTURE CONSTRUCTED FROM SUCH PLANS AND SPECIFICATIONS. DECLARANT, ITS PARTNERS AND AFFILIATES, THE ASSOCIATION, THE BOARD, ITS MEMBERS, THE COMMITTEE, ITS MEMBERS, THE BOARD OR COMMITTEE'S DESIGNEE, AND THE OFFICERS, DIRECTORS, MEMBERS, SHAREHOLDERS, EMPLOYEES AND AGENTS OF ANY OF THEM, SHALL NOT BE LIABLE IN DAMAGES TO ANYONE SUBMITTING PLANS AND SPECIFICATIONS TO ANY OF THEM FOR APPROVAL, OR TO ANY OWNER OF PROPERTY AFFECTED BY THESE RESTRICTIONS, BY REASON OF MISTAKE IN JUDGMENT, NEGLIGENCE, OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OR SPECIFICATIONS. EVERY PERSON WHO SUBMITS PLANS OR SPECIFICATIONS AND EVERY OWNER AGREE THAT SUCH PERSON OR OWNER WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, THE ASSOCIATION, THE BOARD, ITS MEMBERS, THE COMMITTEE, ITS MEMBERS, THE BOARD OR

COMMITTEE'S DESIGNEE, OR THE OFFICERS, DIRECTORS, MEMBERS SHAREHOLDERS, EMPLOYEES AND AGENTS OF ANY OF THEM, TO RECOVER ANY DAMAGES, AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION, ARISING OUT OF OR IN CONNECTION WITH ANY MISTAKE IN JUDGMENT, NEGLIGENCE, OR NONFEASANCE IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS OR SPECIFICATIONS. ALL SUCH PERSONS AND OWNERS HEREBY WAIVE THE PROVISIONS OF ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.
